Zahra, a sprite-like tween no bigger than a loblolly pinecone, befriends an 11-year-old human on a quest to find her parents and sister. When a neighbor muddles their plans, kidnaps Zahra, and threatens her new friend, Zahra discovers unnerving truths about herself and her family.

Set in the Birkhead Wilderness of the Uwharrie Mountains in central North Carolina, *Society of the Sentinelia* is the first book in the Zahra of the Uwharries series that chronicles Zahra's unique and critical role in saving her species.

Book 1 in the  
Zahra of the Uwharries  
series
